HOW TO LOG INTO A PC IN THE LAIB

PC LOGIN IN THE LABORATORIES of the ISIAD Area

Valid from 1/10/2019

LOGIN WITH UTENTELAIB (limited access)

You will be asked to enter a **username** and a **password** on the the logon screen.

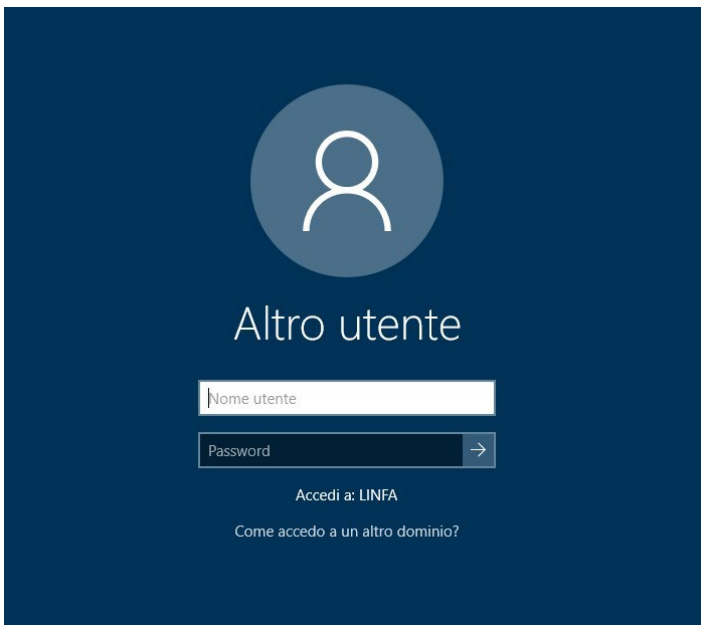
Username: **utentelaib**

Password: **utentelaib**

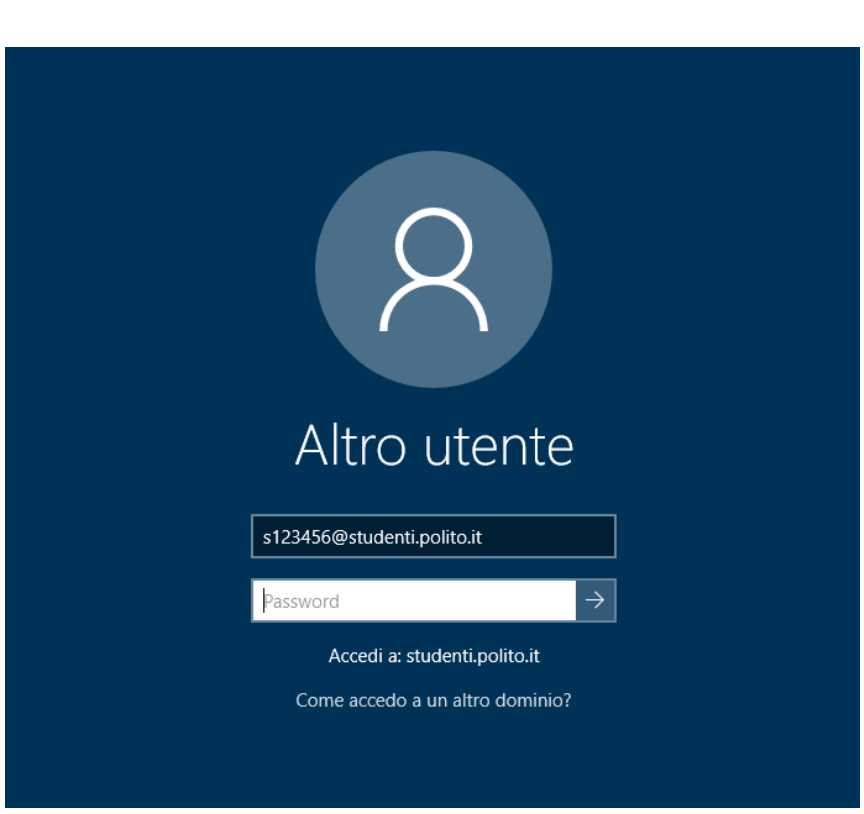
Access to: **LINFA**

Click the arrow button.

[When you login with this username/password, you can use the PC but you cannot print nor connect to the Internet.]



LOGIN WITH POLITO CREDENTIALS (access to all services)



You will be asked to enter **username** and **password** on the logon screen.

If you are a ***Politecnico*** student :

Username: ***smatricola@studenti.polito*** **–**

Password: enter the passoword you normally use to log in to the Teaching Portal (Portale della Didattica). Username and password are **case sensitive**.

If you are a ***faculty or staff member*** :

Username: ***dmatricola@polito.it*** - add some zeros up to reaching 6 digits (i.e.: 1234 will turn into d001234)

Password: enter the passoword you normally use to get access to Politecnico services

Click the arrow button.

[When you login with this username/password, you can use the PC, print and connect to the Internet]

HAVING TROUBLE LOGGING IN?

If you are having trouble logging in with your credentials, please try the generic user: UTENTELAIB.

Try to log into the Teaching Portal (Portale della Didattica) with your credentials.

If your password is not recognized, click on «Forgot your password?» and follow the instructions to reset your password.

If you cannot reset your password:

Student: follow the instructions available on the Teaching Portal at:
https://didattica.polito.it/mail/faq.html

Faculty: call 5050 (internal phone number) to contact the ISIAD Service Desk
